25X1 5. [] Met with Mr. B. Benton Bray, House Manpower and Civil Service Subcommittee staff. Mr. Bray advised that the Chairman has not scheduled any further consideration of S. 1035. The matter has not, however, been laid to rest yet within the Committee and action still could be taken by the Chairman after polling his members before the intended recess the first week of October.

25X1 6. [] Met with Mr. Philip Kelleher, Counsel, House Armed Services Committee, and briefed him on the question of possible []; the 14 September launch of the Soviet circumlunar mission and the 11 September MRV test; realignment and rotation of Chinese fighter units near the North Vietnamese border; and rumors of impending changes in Soviet leadership.

I also provided Mr. Kelleher with a copy of a purported eye witness account by a Japanese newsmen of the Pueblo crew news conference which Mr. Kelleher had requested.

25X1 7. [] Met with Colonel Labre Garcia, House Special Subcommittee on National Defense Posture staff, and advised that the requested information concerning economic support of Cuba and trade with American states will be forwarded later in the week.
